Dear Parents,

We wish to thank you for your continued support throughout the year. We are dedicated to providing quality education for holistic development of your child. Now Summer vacations are coming, and we are very much concerned about whether students could spend a colorful and happy summer vacation.

The summer vacation begins from **1st May to 17th June 2023. The school will reopen on 19th June 2023.** We put forward the following suggestions to you.

We have given the holiday homework through Holistic Development so that children grow with complete personal development.

- ❖ Children should create a good atmosphere at home and maintain regular habits and keep learning.
- ❖ Read good books update your self with current events by reading newspapers and listening to news daily.
- ❖ Maintain your diary of daily routine.
- ❖ Listen to the stories and experience of your elders, success stories of people who never gave up.
- ❖ Connect with nature like gardening, observing the growth of plants and making manure from kitchen waste.
- ❖ Spend some time every day to revise the concepts done in different subject.
- ❖ Holiday homework is to be done neatly on your own and take help of your family, friends when required.
- ❖ Be good and help your mother in household work like kitchen, cloth folding, cleaning and dusting the rooms, feed the birds and animals.
- ❖ Design the holiday homework folder front cover with the waste material and develop the spirit of reduce, reuse and recycle.
- ❖ Choose one sport (Game) of your choice and during summer vacation practice that daily.
- ❖ Dear parents, I hope you can cooperate closely with school, and be positive and responsible to arrange the students' summer life.
- ❖ Finally, hope for our students — be safe, grow healthily. And we wish you success in work, family happiness, and good luck in everything.
