

SUMMER HOLIDAYS HOMEWORK

SESSION
2026-27

CLASS -IX

Dear Parents,

Summer break is the perfect time for students to take a break from their studies and relax. It is a time of fun and exploration, a time to make memories and form new friendships. It is a great opportunity to spend time outdoors, explore new places, and try different activities. Summer break can also be a time to travel the world, learn new skills, and discover new hobbies. It is a time for relaxation and rejuvenation, which can help students feel energized and ready to tackle the upcoming school year.

We are therefore pleased to announce that we have some summer holiday homework activities prepared for your child/children. This homework is designed to keep your child/children engaged during the holiday, while also helping them to retain what they have learned during the school year.

We would like to encourage your child/children to complete these activities in order to stay on top of their studies.

Summer break is here,
The sun is shining bright,
It's time to take a break,
And enjoy the summer light.

The days are long and warm,
The nights are calm and cool,
The days are filled with fun,
For our summer break to rule.

We'll take a trip, explore the sights,
Make some memories to last,
Listen to the birds and watch the stars,
And just enjoy the past.

We'll eat some ice cream, play some games,
Laugh, and have some fun,
Because summer break is here,
And it's time to go out and run!

We hope that your child/children will make the most of this summer holiday and enjoy the activities we have prepared for them. Your support and encouragement are always appreciated.

***** Please note that these assignments will be evaluated for subject enrichment of Term I *****

Sneh Public School
